12 May 1982

NOTE FOR: Associate Deputy Director, DDI

FROM : H. F. Hutchinson, Jr.
Vice Chairman, NIC

SUBJECT : A/NIO/Economics Replacement

Evans

1. Attached is the Advance Work Plan for [] This is not terribly informative but it gives one some idea of his activities in support of the NIO/Economics. Going beyond the AWP, this position requires an expert economist with knowledge of all the Washington area players who become involved with the NIO/Economics and the DCI on economic matters. Given the DCI's rather strong interest in economic matters, particularly in the NATO arena and with respect to Japan, we can anticipate a fairly full schedule for the Assistant NIO/Economics.

2. I hope this is of some assistance in finding a replacement for [] in the near future.
